Scale Drawing of Paper Sizes

https://someonesdad1.github.io/hobbyutil/project_list.html misc/paper_sizes.pdf

Numbers in square brackets are aspect ratios (ISO ratio is sqrt(2))

```
ISO sizes in mm:                      US sizes in inches and mm:
A3   297   420   B4   250   353       ANSI A     8.5    11       215.9    279.4
A4   210   297   B5   176   250       ANSI B     11     17       279.4    431.8
A5   148   210   B6   125   176       Legal      8.5    14       215.9    355.6
A6   105   148   B7    88   125       Executive  7.25   10.5     184.15   266.7
A7    74   105   B8    62    88       Post card  3.5     5.5      88.9    139.7
A8    52    74
